REAL ESTATE, STOCKS, BONDS AND OTHER interest bearers are not in it with the postal in-vested for our tremendous rates for men's worn THIS LIFE IS TOO SAD, BUT IT IS DISASTROUS and terrible for the unfortunate man, born in wealth, with a family also not accustomed to privations, and who in the maturity of age sees himself, in consequence of unmerited misfortunes, with his family exposed to the most atrocious misery. And there are in this world people enough, independent, without family and affections, with fortunes for which they have no sort of employment. If there were a lady or gentleman in this condition with enough greatness of mind and pity for human distress to wish to restore the lost happiness to a man tortured by mortal fright to see the misery of his family, by the donation or the loan at a minimum rate of an important capital, they could be very sure of an immense and unlimited gratitude. God help us! Full name and details to serious persons. Write under L. O. T. 2596, Vienna, Austria, Hauptpost restante. tria, Hauptpost restante.
